Form 990, Part VI, Section B, Line 11b - A draft of Form 990, in pdf form, is emailed to all board members. The treasurer is given the time to respond and ask questions, or, if no question, give an approval for submission to the IRS.

Form 990, Part VI, Section B, Line 12c - If the organization engages in any conflicts of interest, the transaction or relation must first be disclosed to and approved by the board (excluding the participation and vote of the member involved in the related party transaction, if applicable). It is the job of the governing board and executive management to be aware of all conflicts of interests and reveal them to the governing board. If the conflict is in relation to anyone in the governing board, the member of the party is asked to leave the while discussion regarding the relationship are discussed and voted upon. Additionally, on an annual basis, every board member is required to read and sign acknowledgement of the Organization's Conflict of Interest Policy. Each member's signed agreement is then filed in the Organization's records.

Form 990, Part VI, Section B, Line 15 - CEO PERFORMANCE REVIEWS: Once a year, the Executive Committee meets with the Executive Director for his/her annual performance review and evaluation. In preparation for this review, the Executive Committee, with the participation of the Director of Finance & Administration, conducts evaluative research into comparative and equitable compensation of the Executive Director (including alignment with internal historical compensation trends) based upon others in a similar position and in relation to organization size and geographical location--while ensuring the organizational standard of equitable pay to not be in the highest percentile of comparable position pay. At such time, the Executive Committee reviews performance, offers suggestions on improvements, and negotiates salary adjustments based upon prepared research. Complete records are kept on the performance evaluation and the discussions at the review. There are no conflicts of interests among the Executive Committee and the Executive Director. The last time a performance evaluation was conducted for the Executive Director was August 2013. ***KEY EMPLOYEE PERFORMANCE REVIEWS: Similar is performed with key employees, where Quarterly Performance Reviews are conducted between the employee and the Executive Director; and an Annual Performance Evaluation, including compensation review, of each key employee is initially reviewed and discussed between the Executive Director and the Personnel Committee, and then conducted between the employee and the Executive Director. Compensation is determined based upon a number of factors, including but not limited to performance, value to the organization, and research of non-profit compensation surveys with regards to comparable position, job duties, organizational size, and geographical location. The last Annual Evaluation, including compensation review, of key employees was conducted July 2013. The last Quarterly Review of key employees was conducted April 2014. ***OTHER EMPLOYEE PERFORMANCE REVIEWS: Similarly, for non-key and non-executive employees, Performance Evaluations are conducted by the employee's immediate supervisor on a quarterly basis (including an Annual Performance Evaluation) and reviewed annually by the Personnel Committee. As with executive and key employees, compensation is determined based upon a number of factors, including but not limited to performance, value to the organization, and research of non-profit compensation surveys with regards to comparable position, job duties, organizational size, and geographical location. The last Annual Performance Evaluations were conducted July 2013, and Quarterly Reviews in April 2014. ***MISC: For all employees (executive, key, and others), if personnel issues occur throughout the year, the issue is discussed between any and all persons involved, the Executive Director, HR and/or the immediate supervisor, and either or both the HR Committee and the Executive Committee. Probationary or terminal decisions are always made with the consensus of the immediate supervisor (if applicable), the Executive Director, and either or both the HR Committee and Executive Committee.

Form 990, Part VI, Section C, Line 19 - Governing documents and Conflict of Interest Policy are available to the public upon request. Financial Statements are available on the financial page of our website, in addition to available on watchdog sites such as Guidestar, Charity Navigator, etc.

	MEXICO - Plant With Purpose Mexico invested heavily in sustainability and empowerment this year. A big piece of the sustainability strategy is building a network of volunteers who meet quarterly to exchange experiences, and take lessons learned back to their own communities. This volunteer network aids the transition towards local leadership once communities graduate. Simultaneously, it also widens the reach of Plant With Purpose Mexico into places where travel is restricted. Communities are enthusiastic and growing. 	BURUNDI > 2017 brought continued risk and insecurity to Burundi with its history of conflict. However, the Plant With Purpose team and partner farming families are resilient and creative, turning challenges into opportunities. Once example is a partnership between Plant With Purpose and the World Good Programme, through which entire communities can earn food by planting trees. The goal is to provide a path for families to become more resilient in the face of ongoing food shortages and widespread undernutrition, meeting daily needs while setting the stage for long-term growth. 	CONGO > FY2017 marks the end of Plant With Purpose's two year pilot project in the Democratic Republic of the Congo. This pilot project tested an innovation: watershed saturation. We intensively applied the core program model within a well-defined watershed to test the hypothesis that the environmental benefit Plant With Purpose's program extends beyond participants to the entire watershed. Results of the impact evaluation were better than expected. Direct participants cut poverty by 68% in just two years. Their neighbors also benefited as poverty levels were reduced by 57% across the entire watershed. Key stats: Partner Families: 800; Trees Planted: 112,000; Sustainable Development Groups: 21; Church Partnerships: 17	193,053	113,079	106,610

Another is when 43 students of different tribes who graduated from the Payao Bible Seminary were trained in a Church and Community course in partnership with Plant With Purpose. Key Stats: Partner Families: 2,116; Trees Planted: 264,580; Sustainable Development Group: 18; Church Partnerships: 31.	187,676	142,000	91,141
