Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

Plant With Purpose, a Christian development organization, reverses deforestation and poverty around the world by transforming the lives of the rural poor. For more than 30 years, Plant With Purpose has been a leader in linking international community development and environmental solutions, working with family farmers in strategic areas where environmental degradation and
(Continued on Schedule O, Statement 3)

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 605,564 including grants of \$ 523,648) (Revenue \$ 413,796)

HAITI - This year, Haiti experienced many national challenges, yet many accomplishments. Political and civil unrest brought violent protests to the streets of Haiti's capital, Port-au-Prince, leaving some Plant With Purpose staff without access to roads, gasoline, and basic safety. However, despite these circumstances, the team continued to work together to achieve planned objectives. Many partners have even built rock barriers on their farms, as they continue to prepare and learn to better weather future storms. Amidst these hardships, partnering families have, amazingly, experienced 50 percent higher crop yields on average, and have become 2.6 times as likely to be saving cash as nonparticipants.

4b (Code:) (Expenses \$ 512,902 including grants of \$ 434,998) (Revenue \$ 332,893)

DOMINICAN REPUBLIC - While the border region between the Dominican Republic and Haiti still has one of the highest poverty rates in Hispaniola, Plant With Purpose communities are experiencing transformation, and many are now equipped and empowered to thrive on their own. Partnering families have 2.4 times as much cash reserves as non-partnering families and are 88 percent more likely to send their daughters to secondary school. Additionally, these families are experiencing 62 percent higher crop yields on average than non-partnering families within the same watershed. These mature communities now promote Plant With Purpose activities and methodologies to neighboring communities. As families in the Dominican Republic recognize their own ability to succeed, they turn to help those who are less fortunate.

4c (Code:) (Expenses \$ 443,546 including grants of \$ 355,199) (Revenue \$ 339,071)

TANZANIA - In FY2018, Plant With Purpose Tanzania established 31 new savings groups making a total of 393 groups that are promoting a culture of savings among over 10,000 families. Groups are made up of 70 percent females, as women are empowered to support their families. Plant With Purpose families have 2.7 times the amount of savings as non-partnering families and are 63 percent more likely to send their daughters to high school. Additionally, Plant With Purpose families are planting over 10 times the number of trees that nonparticipants plant, and benefit from 38 percent higher crop yields. The Tanzania team received a certificate of recognition on World Environmental Day as an organization contributing to environmental restoration.

4d Other program services (Describe in Schedule O.) See Schedule O, Statement 4

Form 990, Part VI, Section B, Line 11b - Form 990 draft was distributed by email to all governing members of the board prior to the electronic filing of Form 990.

Form 990, Part VI, Section B, Line 12c - If the organization engages in any conflicts of interest, the transaction or relation must first be disclosed to and approved by the board (excluding the participation and vote of the member involved in the related party transaction, if applicable). It is the job of the governing board and executive management to be aware of all conflicts of interests and reveal them to the governing board. If the conflict is in relation to anyone in the governing board, the member of the party is asked to leave during the applicable discussion and voting portion of the meeting. Additionally, on an annual basis, every board member is required to read and sign acknowledgement of the Organization's Conflict of Interest Policy, which includes a space for each board member to bring up any noticed conflicts of interest that may have not been addressed. Each member's signed agreement is then filed in the Organization's records.

Form 990, Part VI, Section B, Line 15 - CEO PERFORMANCE REVIEWS: Once a year, the Executive Committee meets with the Executive Director for his/her annual performance review and evaluation. In preparation for this review, the Executive Committee, with the participation of the Director of Finance & Administration, conducts evaluative research into comparative and equitable compensation of the Executive Director (including alignment with internal historical compensation trends) based upon others in a similar position and in relation to organization size and geographical location--while ensuring the organizational standard of equitable pay occurs around the 50th percentile. At least four external sources (traditional salary surveys, live peer data, etc) are referenced. At such time, the Executive Committee reviews performance, offers suggestions on improvements, sets goals for the following year, and negotiates salary adjustments based upon prepared research. Complete records are kept on the performance evaluation and the discussions at the review. There are no conflicts of interests among the Executive Committee and the Executive Director. The last time a performance evaluation was conducted for the Executive Director was August 2018. Performance check-in meetings are conducted 3 times a year. The last check-in for FY2018 occurred June 2018. ***KEY EMPLOYEE PERFORMANCE REVIEWS: The following process applies to all employees, whether a "key employee" or not. The same evaluation process is performed with key employees, where Quadrimester Performance check-ins are conducted between the employee and the Executive Director; and an Annual Evaluation, including compensation review, is performed between the key employee and the Executive Director. Compensation is determined based on current market rate, which includes key criteria of position, years in position, organization budget size, and employee geographical location. Market Rate data is obtained by a live peer database (PayScale) and cross-referenced with at least 2 other traditional survey sources. The last Annual Evaluation, including compensation review, of key employees was conducted July 2018. The last check-in for FY2018 occurred June 2018. ***MISC: For all employees (executive, key, and others), if personnel issues occur throughout the year, the issue is discussed between any and all persons involved, the Executive Director, HR and/or the immediate supervisor, and either or both the Internal Affairs Committee and the Executive Committee. Probationary or terminal decisions are always made with the consensus of the immediate supervisor (if applicable), the Executive Director, and either or both the Internal Affairs Committee and Executive Committee.

Form 990, Part VI, Section C, Line 19 - Governing documents and Conflict of Interest Policy are available to the public upon request. Financial Statements are available on the financial page of our website, in addition to available on watchdog sites such as Guidestar, Charity Navigator, etc.

Activity Or Mission Description

Description

equip impoverished farming families to change their circumstances, provide for their children, and live with God-given hope and dignity. We do this through sustainable agriculture training, land restoration, savings-led micro-finance, church mobilization, and local leadership development.

Mission Description

Description

poverty intersect. Plant With Purpose currently works in Burundi, Congo, the Dominican Republic, Haiti, Mexico, Tanzania, and Thailand, employing an integrated methodology that combines environmental restoration, economic empowerment, and spiritual renewal. Activities include watershed restoration, reforestation, sustainable agriculture training, savings-and-loan groups, local leadership development, and supporting outreach efforts of local churches.

Other Program Services Accomplishments

Activity Code	Description	Expense	Grants	Revenue
	MEXICO - With over 20 years of program experience, Plant With Purpose Mexico is making strides to spread knowledge and awareness at every level of development. This year, our team hosted the 16th Annual Chiapas Network of Educational Gardens. 12 of our promoters presented and facilitated workshops at the conference, sharing about best practices and ideas for continual improvement. Plant With Purpose families in Mexico have nearly 3 times the amount of savings as nonparticipant families and are 77 percent more likely to send their daughters to secondary school. Plant With Purpose families are applying 41 percent more sustainable farming techniques than nonparticipants and their farms are 19 percent more diverse.	404,740	336,600	450,796
	BURUNDI - This year, our partners in Burundi celebrate their 10th year of promoting sustainable development throughout their communities. This milestone serves as a reminder of the light exuded by the Burundi program in the midst of a deep history of conflict and insecurity. Their dedication to improving their situation is evident. Partnering families are applying 41 percent more sustainable farming techniques compared to non-partnering families. They continue to seek partnerships with organizations and research institutes that give additional land resources, ultimately allowing them to demonstrate new farming techniques to new partners.	392,168	303,102	336,229
	CONGO - Rounding out just year three of partnership, the team is encouraged by increasingly positive impacts in the Kakumba watershed. Families are now eating more meals per day on average than they were in 2015, and have 36 times the amount of savings when compared to nonparticipants in a neighboring watershed. 95 percent of Kakumba families reported being able to sell some of their crops and 65 percent of families were able to start a side business in addition to farming their land. More importantly, 91 percent of Kakumba families said that members of their community work together to change things that are wrong. Enthusiasm for our program is growing and Plant With Purpose is now beginning in the neighboring watershed, Kambekulu.	195,171	117,990	219,890
	THAILAND - Plant With Purpose Thailand has played a large role as an organizer and advocate for stateless, ethnic minority groups in Northern Thailand. Much of this work is done by organizing groups in which ethnic minorities living in Thailand can gather together and have a voice. As a group, there are more opportunities for these vulnerable people to protect their access to healthcare, and to seek education and additional resources. Amidst these feelings of statelessness, when families participate, they come to believe that they have a greater ability to improve their lives.	176,292	127,980	101,262
	OTHER COUNTRIES - Expenses in support of launching our 9th program in ETHIOPIA. We finalized our government registration in May of 2017 and secured partnership with a church community to support them in protecting their church forest. This project has come with countless opportunities: collaborating with the Ethiopian Orthodox Church, presenting our program launch at the Ethiopia Symposium in Irvine, California, and even securing a large, multi-year grant which will help tremendously in funding the start of this program. We are very excited to break ground in Ethiopia.	63,694	2,250	100,277
	PROGRAM EDUCATION & AWARENESS - Over the past year, Plant With Purpose has greatly expanded its efforts across the United States to become a leading voice on how Christians are called to steward the environment. We have focused on building a presence at nationwide events where issues of culture and justice are actively discussed. We have also begun developing a greater library of educational resources to be widely accessible online.	696,582		0
