

YOU ARE INVITED TO

THE PURPOSE JOURNEY

**VISIT DON CARLOS' FARM IN OAXACA...
· WITHOUT EVEN BOARDING A PLANE!**

Your visit to his community will be a powerful experience.

You will see the connection between the environment and poverty up close.

You will hear from our partnering farmers directly.

You will witness the transformation of families and communities.

DATE & LOCATION

THE PURPOSE JOURNEY

WHAT TO EXPECT:

AN EVENT BY PLANT WITH PURPOSE

Plant With Purpose is a Christian nonprofit working to reverse cycles of poverty and environmental challenges in some of the world's most difficult places. This event is designed to provide you an up-close experience with the families they work with in Mexico.

A VIRTUAL VISIT

Embark on a virtual trip to Oaxaca, one of the many locations where Plant With Purpose works. Through some unique multimedia, multi-sensory presentations, you'll be able to virtually hear from farming families, look around the steep hillsides where they farm, and uncover solutions to some of the world's most persistent problems.

Refreshments will be provided, but please bring your smartphone and a set of headphones
